

RECOGNIZED QUALITY.

Backed by Johnson Controls, YORK® products are designed and manufactured to the highest standards. Our reputation for quality is ensured by one of the strongest warranty packages in the industry.

Gas Furnaces

Affinity™ Series Split System Air Conditioners and Heat Pump Compressors

YORK® Residential Products

Affinity™ Furnaces

LX Furnaces

A Consumers Digest Best Buy

- For more than 50 years, Consumers Digest magazine has identified products with outstanding value.
- The YORK® Affinity™ YP9C modulating furnace has been rated a Consumers Digest Best Buy.

The Best Buy seal is a registered trademark of Consumers Digest Communications, LLC, used under license.

Dealer Design Awards: Gold Winner

- The Dealer Design Awards recognize HVAC products with features that assist in installation, maintenance and service.
- The YORK® Affinity™ YXV Split System Air Conditioner earned the Gold Award in 2017 for including features and design elements that help contractors install and monitor the unit effectively.

American Quality

- YORK® units are designed, engineered and assembled in the United States, where we closely monitor and improve processes that directly affect quality.
- It's this promise of excellence that allows us to offer outstanding warranties, meet the highest industry standards and deliver energy-saving comfort that lasts a lifetime.

Good Housekeeping Seal of Approval

- YORK® residential products carry the Good Housekeeping Seal of Approval.
- Since 1909, this Seal has signified that a product has been tested and approved by the Good Housekeeping Research Institute and guaranteed by Good Housekeeping magazine's trusted Consumer Policy.

ENERGY STAR® Most Efficient 2018

- The ENERGY STAR® Most Efficient 2018 designation recognizes the most efficient products among those that qualify for ENERGY STAR® certification.
- Affinity™ heating and cooling products have been tested and recognized as exceptional, leading-edge systems that received this special designation.

Building Homes for Heroes®

- Building Homes for Heroes® constructs or modifies mortgage-free homes for veterans injured in the Iraq or Afghanistan wars.
- Through its sponsorship of the Building Homes for Heroes® program, Johnson Controls, along with YORK® distributors and independent contractors, donate, install and service quality heating and cooling systems in these heroes' homes.

Ask your YORK® Contractor for details about how our quality features, workmanship and comprehensive warranties provide years of comfort you can count on.

*Lifetime heat exchanger, lifetime compressor, 10-year parts and 1-year labor limited warranties require online registration within 90 days of installation. Otherwise, warranties revert to the standard 20-year heat exchanger, 10-year compressor and 5-year parts limited warranties.

Warranty offerings subject to change without notice. For the latest information, please visit YORK.com/for-your-home/why-buy-york/warranties.

**Complete Assurance™ Limited Warranty: If the heat exchanger fails within 10 years of installation on premium models (or 5 years of installation on LX models), we provide optional furnace replacement in lieu of a heat exchanger replacement.
