

SINGLE SPLIT WALL MOUNTED

R32 YWMYSL SERIES (FIXED SPEED)

Advanced technology, Enhanced your everyday comfort

Innovative Self-Cleaning Technology

Through the cycles of frosting and melting, any accumulated dust, microorganisms, and oil are effectively reduced, resulting in cleaner hydrophilic painted fins.

Extended Airflow Distance

Experience refreshing airflow up to 18 meters ensuring cool, refreshing air reaches every corner of your space. This distance is measured in turbo mode and based on 0.3m/s for the 2.5HP model.

Anti-Mildew Performance

The internal fan will run for an additional 30 seconds after the AC is powered off to prevent the growth of mildew.

Power Efficient LED Display

Featuring sleek high quality LED Displays for bright display and power-efficiency.
